MEMORANDUM FOR CHIEF, SPECIAL FUNDS

Subject: PSC-43-UNV

**SECRET** *Contract*

25X1A 1. Reference is made to your memorandum dated 10 July 1947 concerning Notice of Assignment under the subject contract. We are returning herewith your two files relating to the subject contract, together with four copies of Notice of Assignment and the Assignment signed by [redacted] to the [redacted]

25X1A 2. You will note from the attached copy of memorandum to the Contract Section, dated 21 July 1947, that there should be a determination concerning the necessity of requiring the agreement provided for under Article 12(c) of subject contract. As pointed out in that memorandum, no payments should be made by Special Funds to the Assignee until notification is received by you from the Contracting Officer that it has been determined no agreement is necessary, or that an agreement from the Contractor has been obtained.

3. The Notice of Assignment addressed to the Chief, Finance Division may be executed by the Chief, Special Funds Section, since the signing of such Notice of Assignment merely constitutes acknowledgment of receipt of the Notice of Assignment and a copy of the Instrument of Assignment. It is assumed that payments under this contract have gone forward on checks bearing your signature, and, therefore, it appears appropriate for you to sign the Notice of Assignment. The Special Funds Section is under no legal obligation other than to remit amounts due under the contract to the Assignee. Since it appears that this Assignment is in proper legal form and valid, you are authorized to pay amounts due under the contract to the Assignee after advice is received by you from the Contracting Officer as indicated above.
